RECOMMENDED CASH ACQUISITION

of

SMOOVE PLC

by

DIGCOM UK HOLDINGS LIMITED

(an indirect subsidiary undertaking of PEXA Group Limited)

Results of Court Meeting and General Meeting held on 14 November 2023

On 4 October 2023, the boards of Smooove plc ("**Smooove**") and Digcom UK Holdings Limited ("**Digcom**"), an indirect subsidiary undertaking of PEXA Group Limited ("**PEXA**"), announced that they had reached agreement on the terms and conditions of a recommended cash acquisition by Digcom of the entire issued and to be issued share capital of Smooove (the "**Acquisition**"). The Acquisition is to be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act 2006, which requires the approval of Smooove Shareholders and the sanction of the Court (the "**Scheme**").

Unless otherwise defined, all capitalised terms in this announcement shall have the meanings given to them in the scheme document published by Smooove on 16 October 2023 in connection with the Scheme (the "**Scheme Document**").

Court Meeting and General Meeting

The Smooove Board is pleased to announce the results of the Court Meeting and General Meeting held today in connection with the Acquisition.

At the Court Meeting, as more particularly described below, a majority in number of the Scheme Shareholders who voted and were entitled to vote (either in person or by proxy), representing not less than 75 per cent. in value of the Scheme Shares held by such Scheme Shareholders, voted in favour of the resolution to approve the Scheme.

At the General Meeting, as more particularly described below, the requisite majority of Smooove Shareholders voted to pass the special resolution proposed at the General Meeting to approve the implementation of the Scheme, including the adoption of the amended Smooove Articles and the the re-registration of Smooove as a private limited company.

Accordingly, the Scheme was approved.

Full details of the resolutions that were proposed are set out in the notices of the Court Meeting and General Meeting contained in the Scheme Document, which is available on Smoove’s website at: <https://hellosmoove.com/investorrelations>.

Martin Rowland, Non-Executive Chairman of Smoove, commented:

“We are pleased that the Smoove Shareholders approved PEXA’s offer to acquire Smoove. Combining PEXA and Smoove should accelerate the plans of both businesses, improving the moving and remortgaging experience for consumers.”

Voting Results of the Court Meeting

The results of the poll at the Court Meeting are set out in the table below. Each Scheme Shareholder present in person or by proxy was entitled to one vote for each Scheme Share held at the Voting Record Time.

Results of Court Meeting⁽¹⁾	FOR	AGAINST	TOTAL
Number of Scheme Shares voted	43,812,013	134,240	43,946,253
Percentage of Scheme Shares voted ⁽²⁾	99.69%	0.31%	100%
Number of Scheme Shareholders who voted	27	5	38
Percentage of Scheme Shareholders who voted	84.37%	15.63%	100%
Number of Scheme Shares voted as a percentage of the issued ordinary share capital eligible to be voted at the Court Meeting ⁽³⁾	76.84%	0.24%	77.08%

- (1) The total number in column 4 of the above table of those present by proxy and voting includes 6 members who gave instructions for votes to be cast in favour of the resolution in respect of part of its holding and against the resolution in respect of another part of its holding. The total of the scheme shareholders voted exceeds the related totals in Column 2 and 3 because such case has been treated as involving both a number of votes cast in favour of the resolution and a number of votes cast against.
- (2) Rounded to two decimal places. As a result of such rounding, the totals of percentages presented in these totals may vary slightly from the actual arithmetical totals of such percentages.
- (3) The total number of Scheme Shares in issue and eligible to vote on the Scheme at the Voting Record Time was 57,016,550.

Voting Results of the General Meeting

The results of the poll at the General Meeting are set out in the table below. Each Smoove Shareholder present in person or by proxy was entitled to one vote for each Smoove Share held at the Voting Record Time.

	FOR		AGAINST		TOTAL	WITHHELD⁽¹⁾
Special Resolution	No. of votes	% of votes⁽²⁾	No. of votes	% of votes⁽²⁾	No. of votes⁽³⁾	No. of votes

Implementation of the Scheme	43,842,122	99.70%	132,339	0.30%	43,974,461	1,977
------------------------------	------------	--------	---------	-------	------------	-------

- (1) A vote withheld is not a vote in law and is not counted in the calculation of the proportion of votes 'For' or 'Against' the Special Resolution.
- (2) Rounded to two decimal places. As a result of such rounding, the totals of percentages presented in these totals may vary slightly from the actual arithmetical totals of such percentages.
- (3) The total number of Smoove Shares in issue at the Voting Record Time was 57,016,550.

Expected Timetable of Principal Events

The Scheme remains subject to the satisfaction or (where applicable) waiver of the remaining Conditions (as set out in Part 3 of the Scheme Document).

The expected timetable of principal events for the implementation of the Scheme remains as set out in the Scheme Document and is also set out in the Appendix to this announcement. Any updates to the expected timetable, including the date and time of the Scheme Sanction Hearing once confirmed, will be announced through a Regulatory Information Service.

Overseas jurisdictions

This announcement has been prepared in accordance with, and for the purposes of complying with, English law, the Takeover Code, the Market Abuse Regulation and the AIM Rules, and information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance with the laws of jurisdictions outside of England.

The release, publication or distribution of this announcement in, into or from jurisdictions other than the United Kingdom may be restricted by law and therefore any persons who are subject to the laws of any jurisdiction other than the United Kingdom should inform themselves about, and observe, any applicable requirements.

The availability of the Acquisition to Smoove Shareholders who are not resident in and citizens of the United Kingdom may be affected by the laws of the relevant jurisdictions in which they are located or of which they are citizen. Persons who are not resident in the United Kingdom should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdictions. In particular, the ability of persons who are not resident in the United Kingdom to vote their Smoove Shares with respect to the Scheme at the Meetings, or to execute and deliver Forms of Proxy (or other proxy instructions) appointing another to vote at the Meetings on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Any failure to comply with the applicable restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person. Further details in relation to Overseas Shareholders are contained in the Scheme Document.

Unless otherwise determined by Digcom or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition will not be made available, in whole or in part, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would constitute a violation of the relevant laws or regulations of such jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or from within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Copies of this announcement and any formal documentation relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in or into or from any Restricted Jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send it in or into or from any Restricted Jurisdiction. Doing so may render invalid any related purported vote in respect of the Acquisition. If the Acquisition is implemented by way of a Takeover Offer (unless otherwise permitted by applicable law and regulation), the Takeover Offer may not be made, directly or indirectly, in or into, or by the use of mails or any means or instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of any Restricted Jurisdiction and the Takeover Offer may not be capable of acceptance by any such use, means, instrumentality or facilities.

The Acquisition is subject to English law and the jurisdiction of the Court, and the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange (including pursuant to the AIM Rules) and the Registrar of Companies.

Notice to US investors in Smoove

The Acquisition relates to the shares of an English company with a quotation on AIM and is being made by means of a scheme of arrangement provided for under English company law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Securities Exchange Act of 1934. Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement which differ from the disclosure requirements of United States tender offer and proxy solicitation rules. Neither the United States Securities and Exchange Commission, nor any securities commission of any state of the United States, has approved or disapproved any offer, or passed comment upon the adequacy or completeness of any of the information contained in this announcement. Any representation to the contrary may be a criminal offence.

If, in the future, Digcom exercises the right, with the consent of the Panel (where necessary), to implement the Acquisition by way of a Takeover Offer and determines to extend the offer into the United States, the Acquisition will be made in compliance with applicable United States laws and regulations, including Section 14(e) of the US Securities Exchange Act 1934 and Regulation 14E thereunder.

Financial information included in this announcement and the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Offer Document) has been or will have been prepared in accordance with accounting standards applicable in the United Kingdom or Australia (as applicable) that may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

The receipt of cash pursuant to the Acquisition by a US holder of Smoove Shares as consideration for the transfer of its Scheme Shares pursuant to the Scheme may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws. Each Smoove Shareholder is therefore urged to consult with independent legal, tax and financial advisers in connection with making a decision regarding the Acquisition.

It may be difficult for US holders of Smoove Shares to enforce their rights and any claim arising out of the US federal laws in connection with the Acquisition, since Digcom and Smoove are located in, and organised under the laws of, a non-US jurisdiction, and some or all of their officers and directors may be residents of a non-US jurisdiction. US holders of Smoove Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's jurisdiction or judgement.

In accordance with normal UK practice and pursuant to Rule 14e-5(b) of the US Securities Exchange Act of 1934, Digcom, certain affiliated companies and their nominees or brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, Smoove Shares outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. Also, in accordance with Rule 14e-5(b) of the US Securities Exchange Act of 1934, each of Deutsche Numis and Cavendish will continue to act as an exempt principal trader in Smoove Shares on the London Stock Exchange. If such purchases or arrangements to purchase were to be made, they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and comply with applicable law, including the US Securities Exchange Act of 1934. Any information about such purchases will be disclosed as required in the UK, will be reported to the Regulatory News Service of the London Stock Exchange and will be available on the London Stock Exchange website at www.londonstockexchange.com.

Cautionary Note Regarding Forward-Looking Statements

This announcement (including information incorporated by reference into this announcement), statements made regarding the Acquisition, and other information to be published by Digcom, PEXA and/or Smoove, contain statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and not based on historical facts, but rather are based on current expectations and projections of the management of Digcom, PEXA and/or Smoove about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this announcement include statements with respect to the financial condition, results of operations and business of Smoove and certain plans and objectives of Digcom and PEXA with respect thereto and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the fact that they do not relate only to historical or current facts and may use words such as "anticipate", "target", "expect", "estimate", "forecast", "intend", "plan", "budget", "scheduled", "goal", "believe", "hope", "aims", "continue", "will", "may", "should", "would", "could", or other words of similar meaning. These statements are based on assumptions and assessments made by Smoove and/or Digcom and/or PEXA in light of their experience and their

perception of historical trends, current conditions, future developments and other factors they believe appropriate. By their nature, forward-looking statements involve known and unknown risk and uncertainty and other factors which may cause actual results, performance or developments to differ materially from those expressed in or implied by such, because they relate to events and depend on circumstances that will occur in the future. Although Digcom and/or PEXA and/or Smoove believe that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct and you are therefore cautioned not to place reliance on these forward-looking statements which speak only as at the date of this announcement. Neither Digcom nor PEXA nor Smoove assumes any obligation to update or correct the information contained in this announcement (whether as a result of new information, future events or otherwise), except as required by applicable law.

There are a number of factors which could cause actual results and developments to differ materially from those expressed or implied in forward-looking statements. The factors that could cause actual results to differ materially from those described in the forward-looking statements include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms; changes in the global, political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or dispositions; changes in general and economic business conditions; changes in the behaviour of other market participants; the anticipated benefits of the Acquisition not being realised as a result of changes in general economic and market conditions in the countries in which Digcom, PEXA and Smoove operate; weak, volatile or illiquid capital and/or credit markets; changes in the degree of competition in the geographic and business areas in which Digcom, PEXA and Smoove operate; and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors.

Neither Digcom nor PEXA nor Smoove, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in their announcement will actually occur. Given the risks and uncertainties, you are cautioned not to place any reliance on these forward-looking statements.

Other than in accordance with their legal or regulatory obligations, neither Digcom nor PEXA nor Smoove is under any obligation, and Digcom, PEXA and Smoove expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Dealing and Opening Position Disclosure Requirements

Under Rule 8.3(a) of the Takeover Code, any person who is interested in one per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in one per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4). Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the Offer Period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Rounding

Accordingly, figures shown for the same category presented in different tables may vary slightly and figures shown as totals in certain tables may not be an arithmetic aggregation of figures that precede them.

General

Digcom reserves the right to elect, with the consent of the Panel (where necessary), and subject to the terms and conditions of the Co-operation Agreement, to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued share capital of Smoove not already held by Digcom as an alternative to the Scheme. In such an event, a Takeover Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme.

If the Acquisition is effected by way of Takeover Offer, and such Takeover Offer becomes or is declared unconditional and sufficient acceptances are received, Digcom intends to exercise its rights to apply the provisions of Chapter 3 of Part 28 of the Companies Act so as to acquire compulsorily the remaining Smoove Shares in respect of which the Takeover Offer has not been accepted.

If you are in any doubt about the contents of this announcement or the action you should take, you are recommended to seek your own independent financial advice immediately from your stockbroker, bank manager, solicitor or independent financial adviser duly authorised under the Financial Services and Markets Act 2000 (as amended) if you are resident in the United Kingdom or, if not, from another appropriately authorised independent financial adviser
